**Policies**

1- Friends and family are not allowed to take photographs that we pose. Double flashes as well as subjects looking in different directions ruin the continuity of the photographs. Please advise your friends of this. Your ushers can be a tremendous help in advising camera-toting guests of this rule. Our concern is that your photos are as beautiful as your wedding day.

2- All photographs taken by Bankie Shealy may be used at our discretion for any purpose including publication.

3- Members of the wedding party who wear glasses are encouraged to borrow a set of empty frames from their optician. While we strive to avoid light reflection on glasses, we cannot guarantee it.

4- The booking fee holds your date and time and is non-refundable should you cancel.

5- Full payment is due two weeks prior to wedding.

6- We carry backup equipment, however, in the event of malfunction, BankiePhoto's liability is limited to refund of the booking fee.

7- Albums should be ready for delivery within three months of the wedding date, depending upon workload.
